

ANATOMÍA ÓSEA

Autor: Dr. François Ricard, D.O. Ph.D.

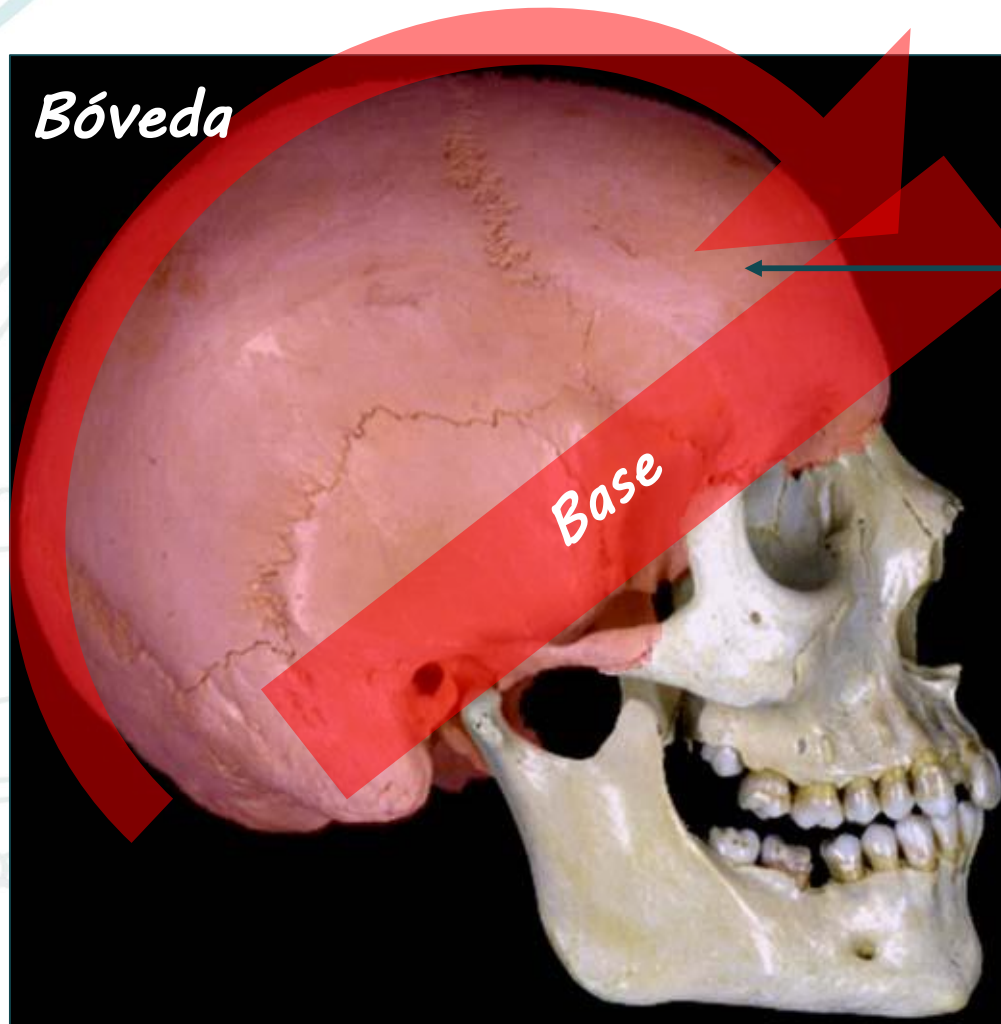

CLASIFICACIÓN

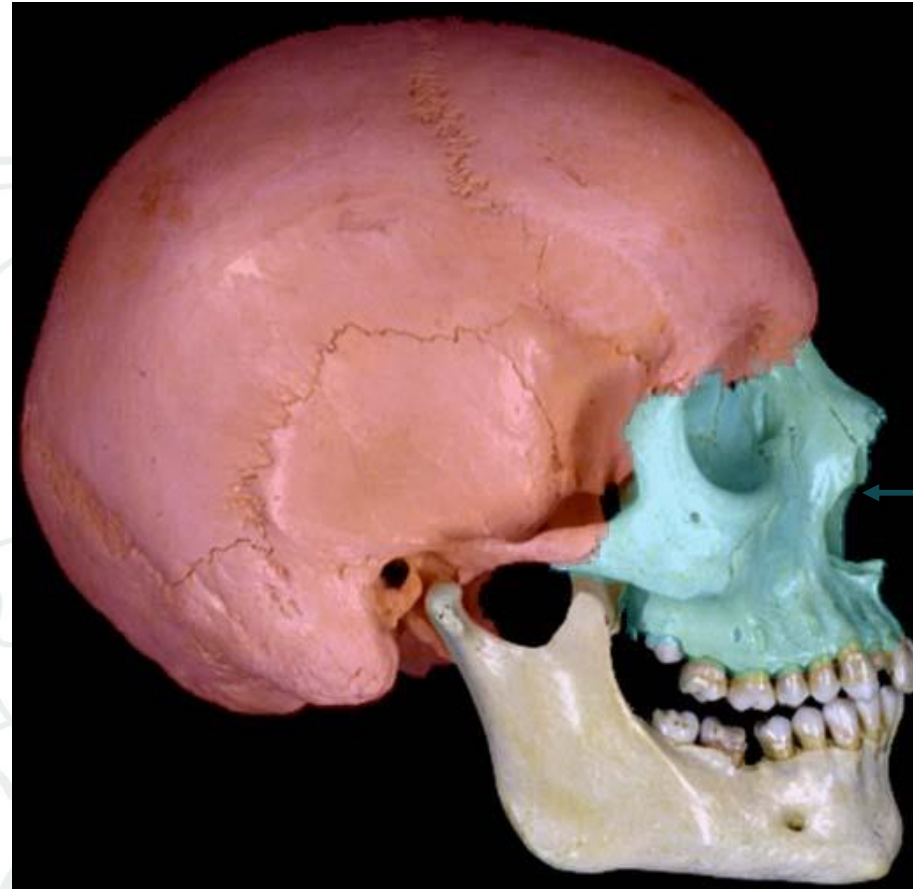

La extremidad cefálica está constituida de 3 elementos

CRÁNEO

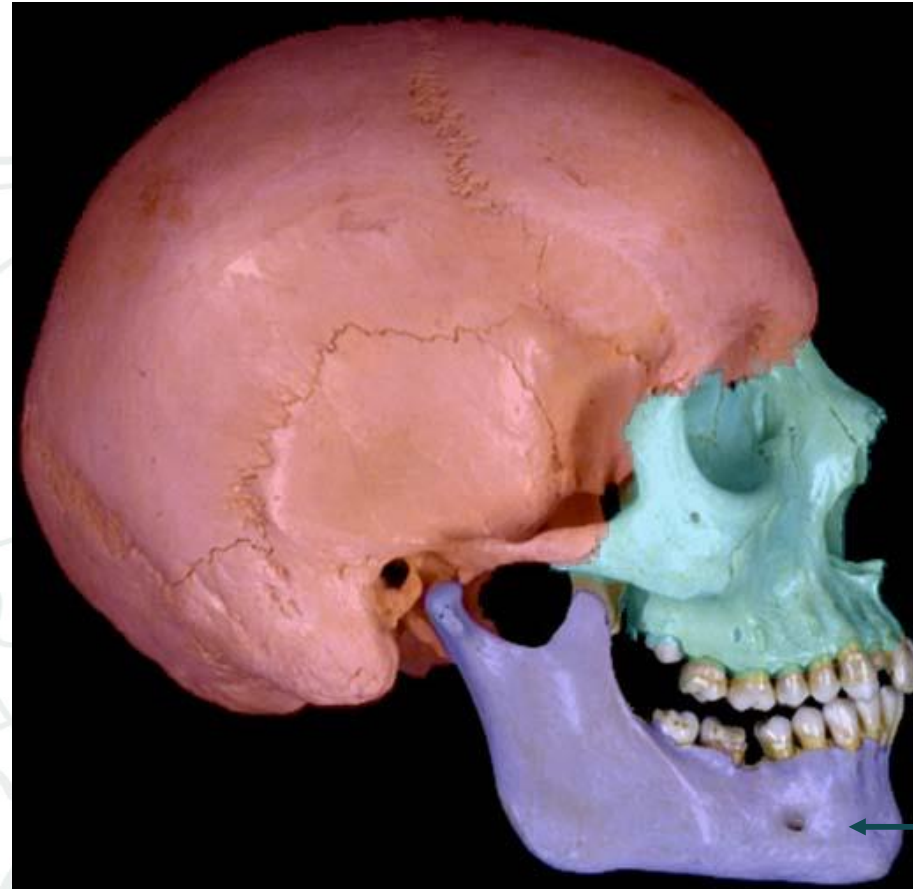

Cráneo

MACIZO FACIAL

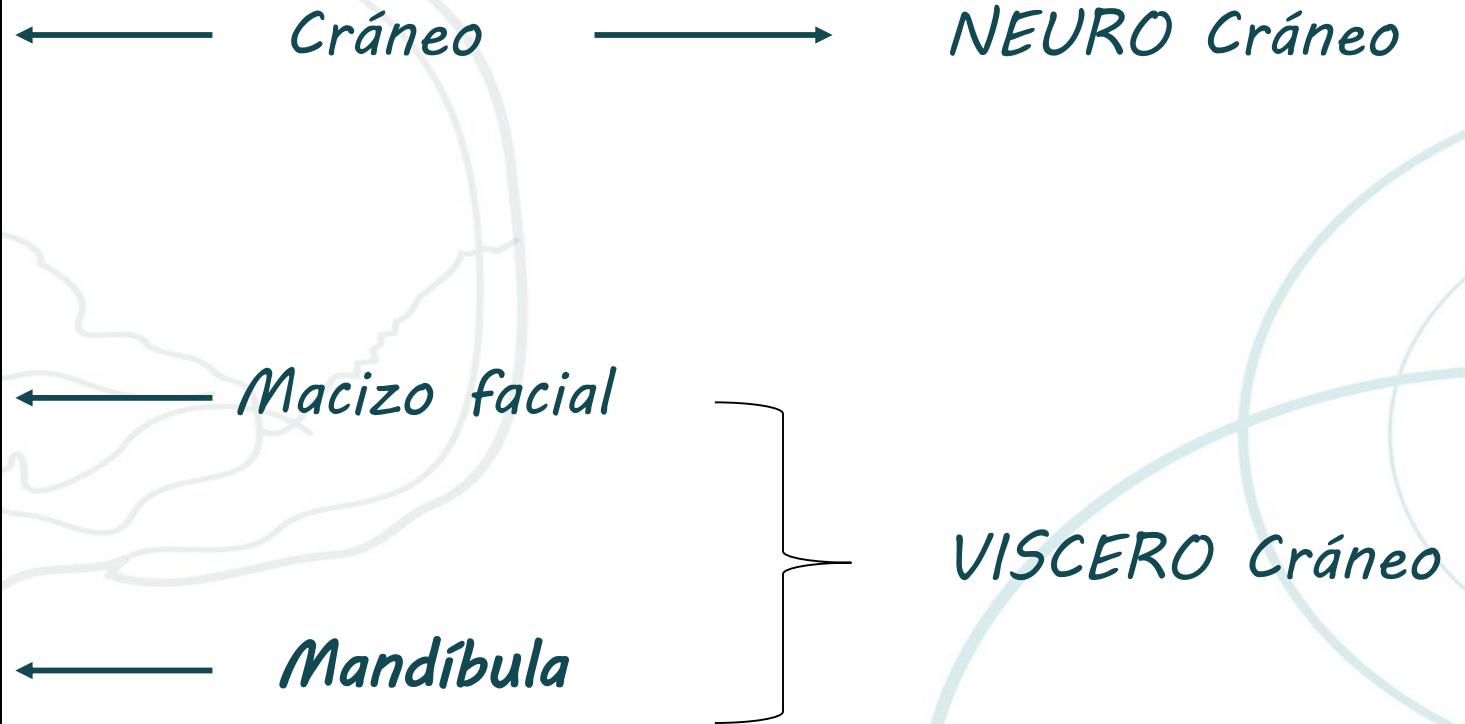

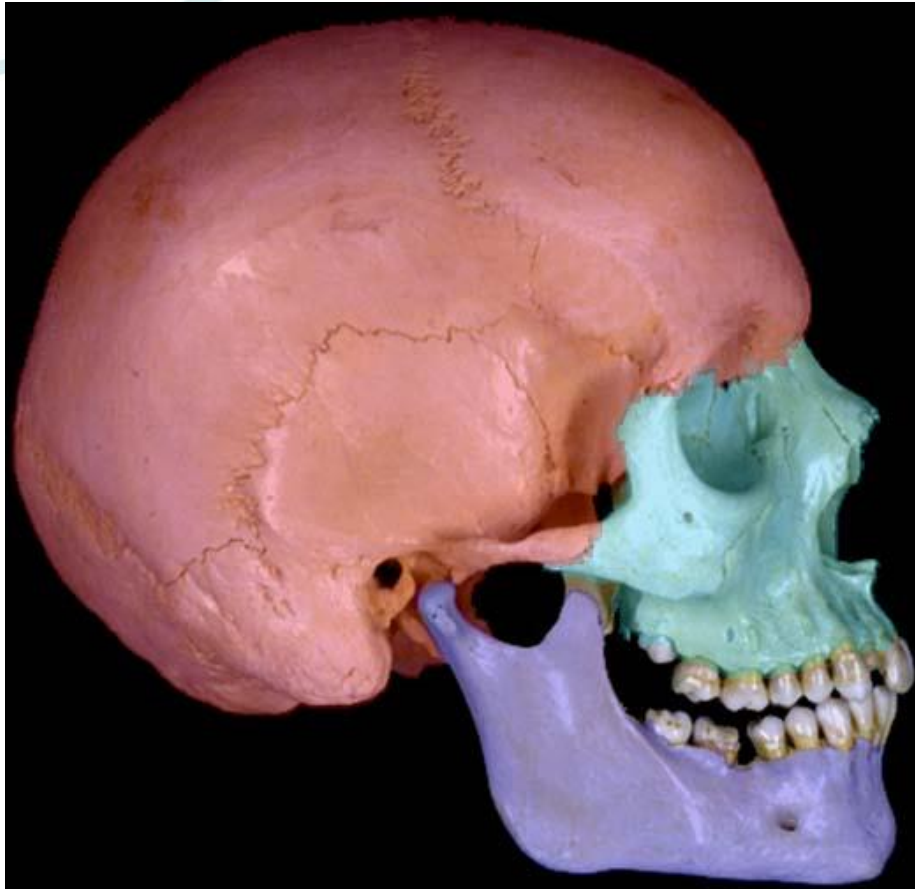

Macizo facial

MANDÍBULA

Mandíbula

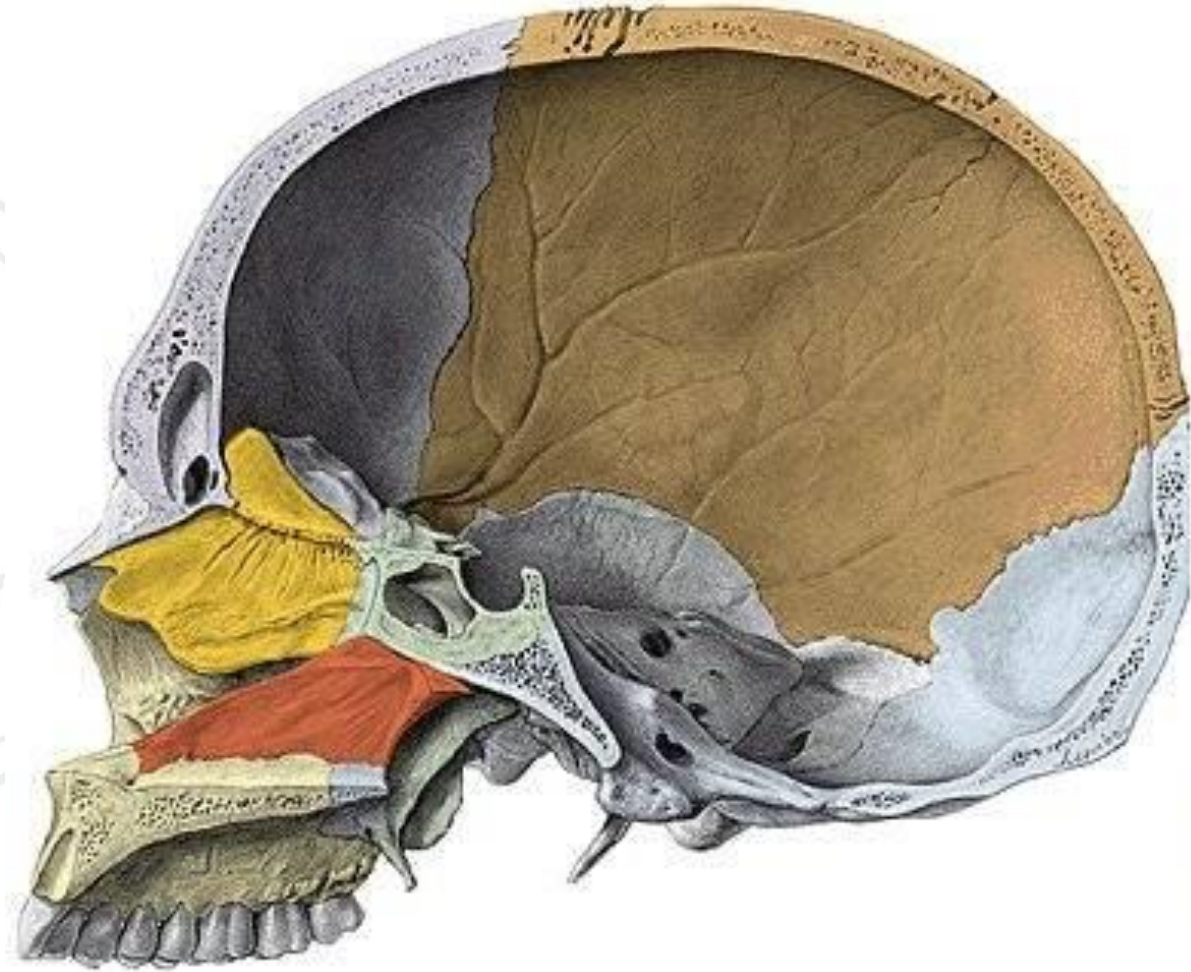

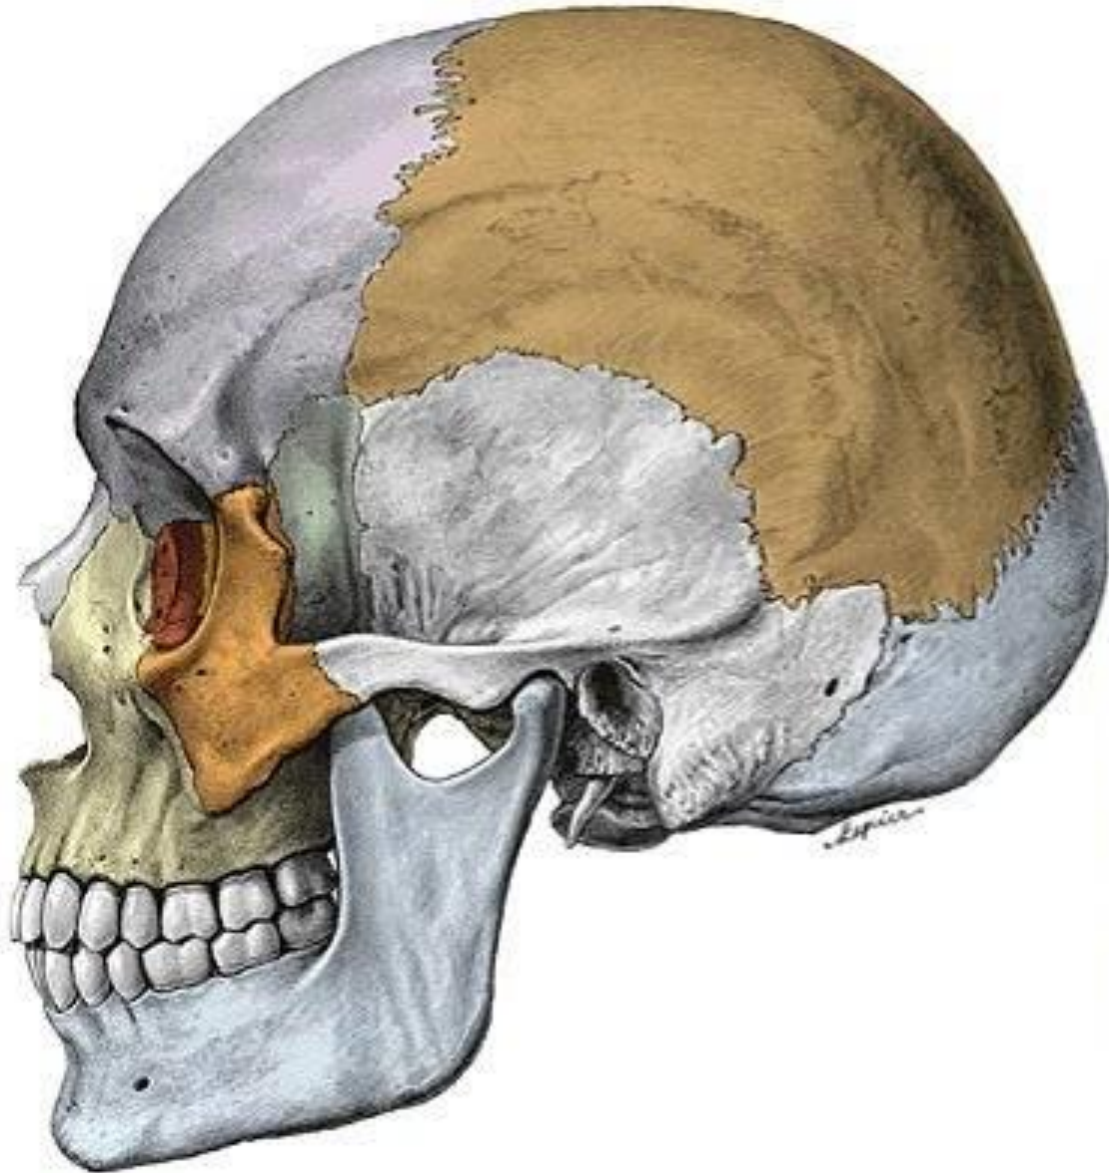

CLASIFICACIONES

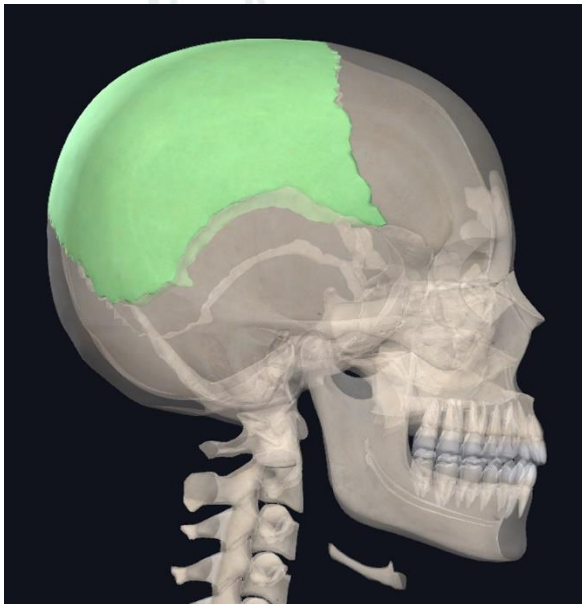

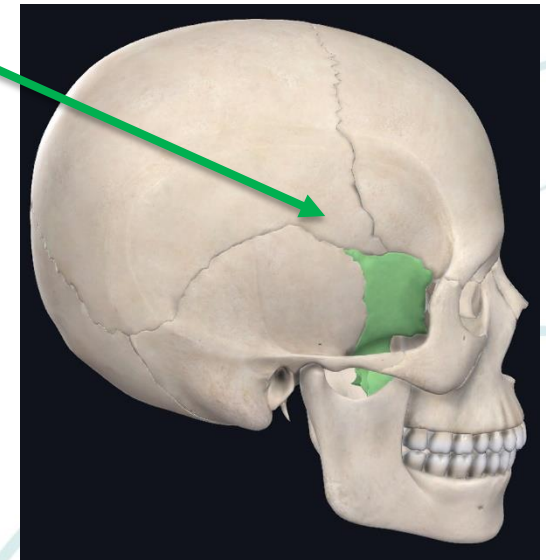

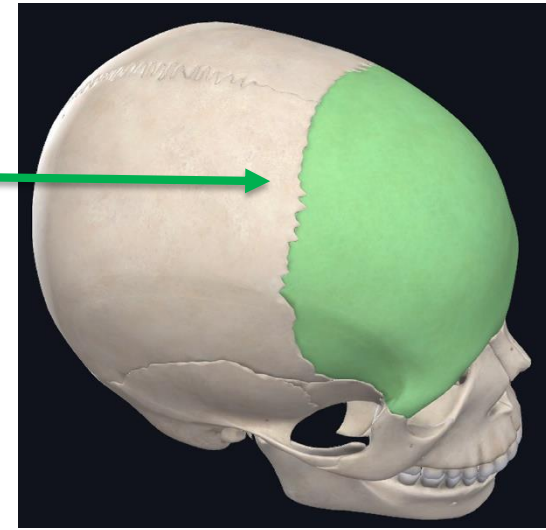

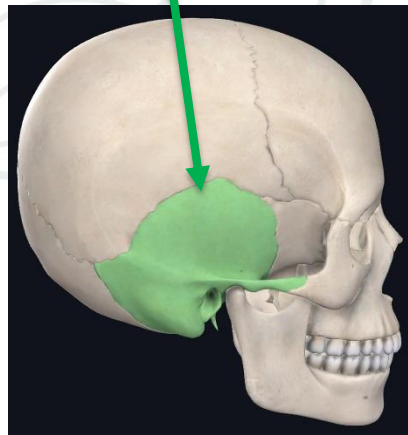

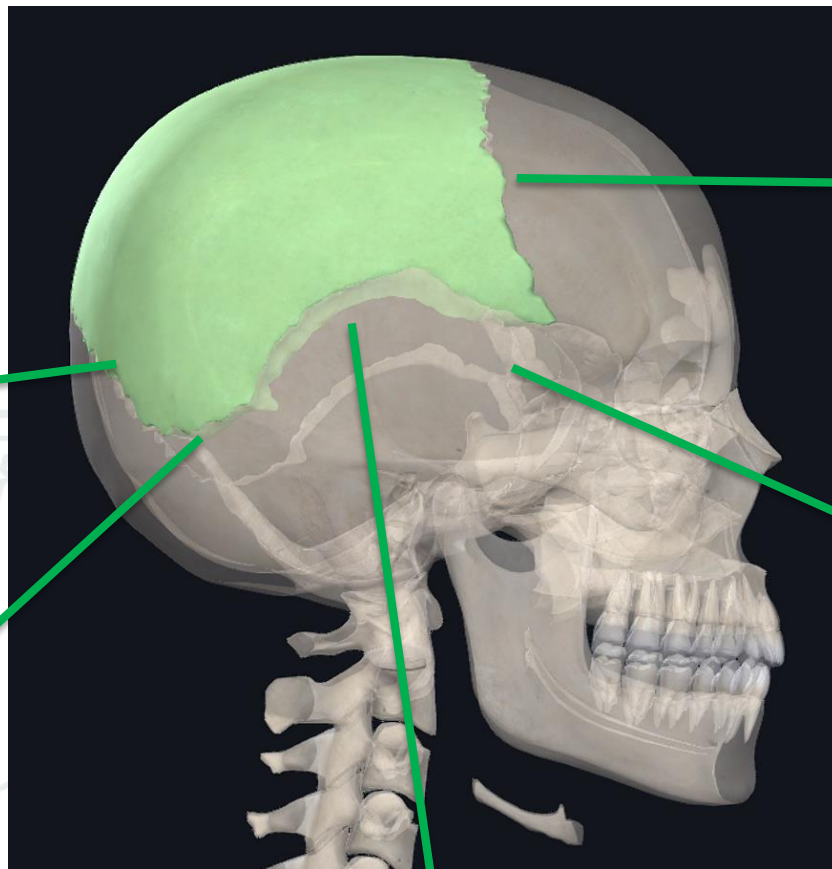

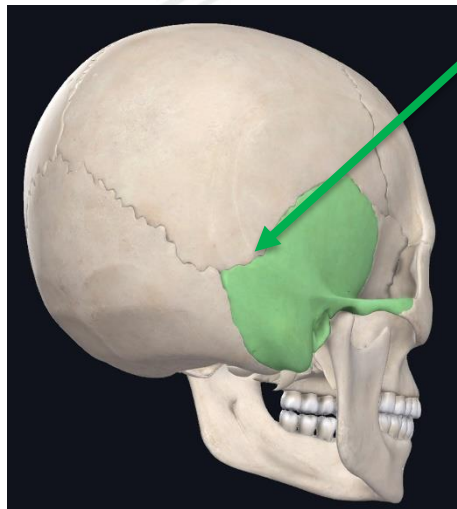

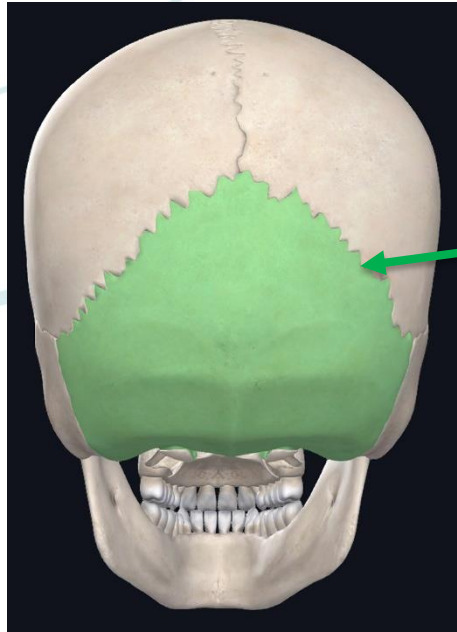

PARIETAL

Autor: Dr. François Ricard, D.O. Ph.D.

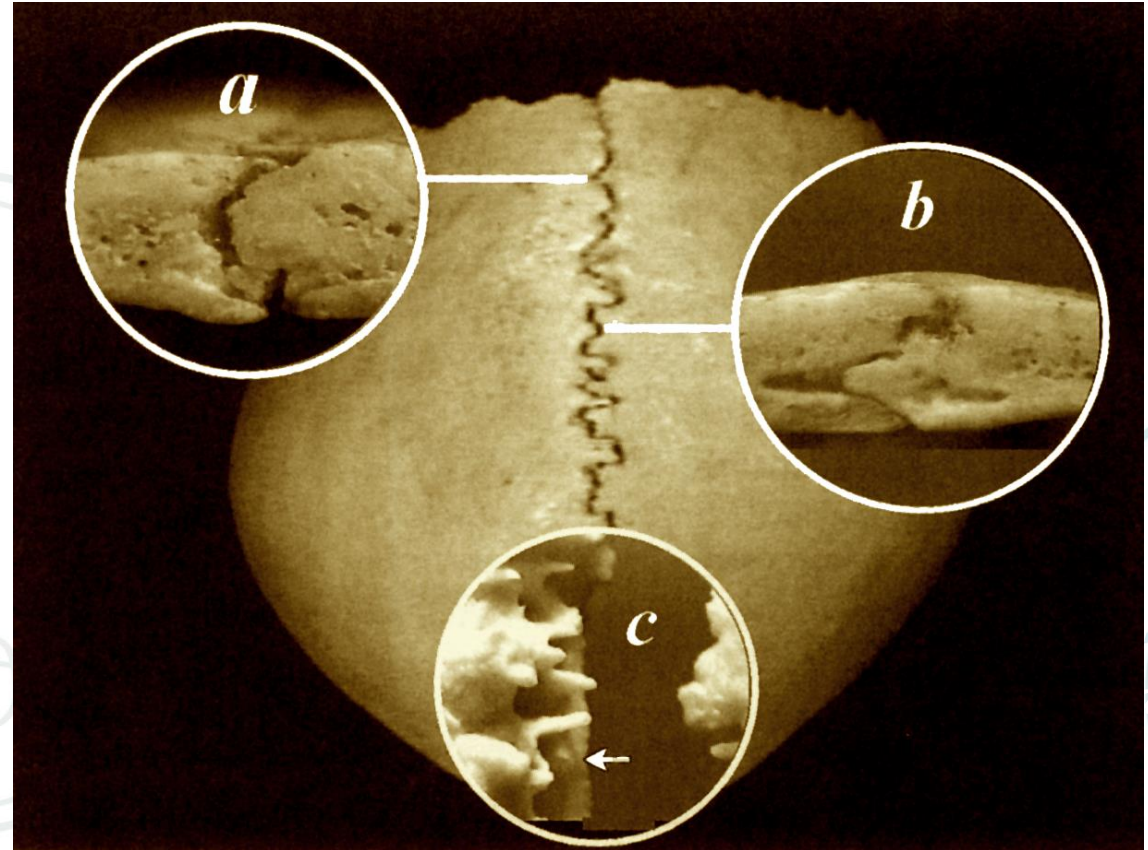

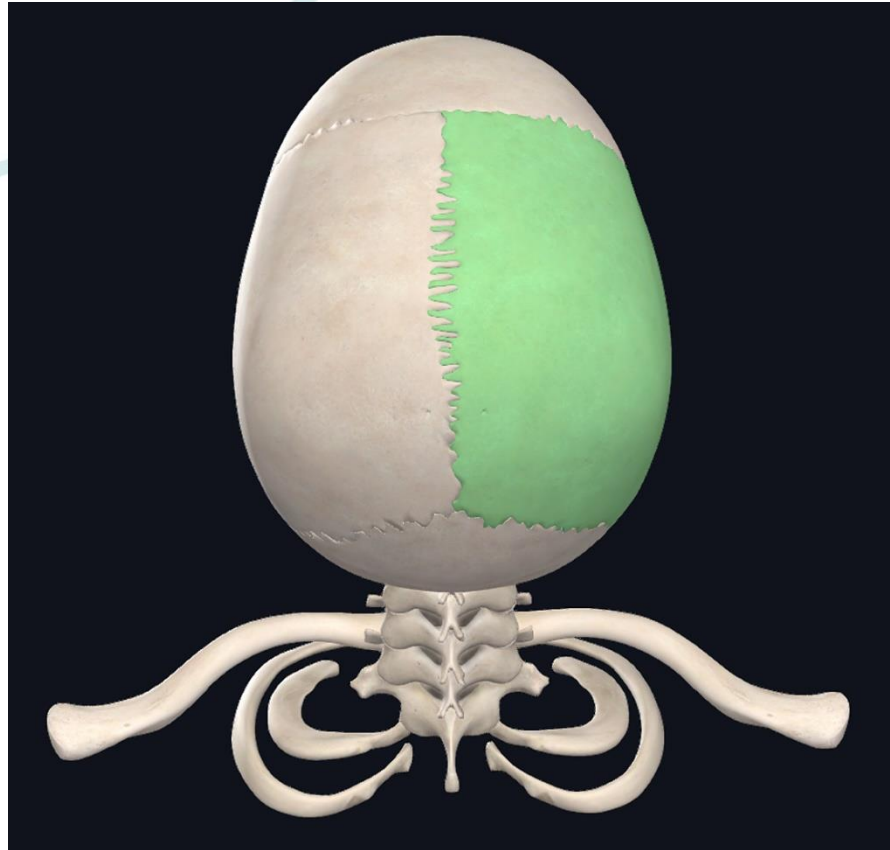

CONEXIONES

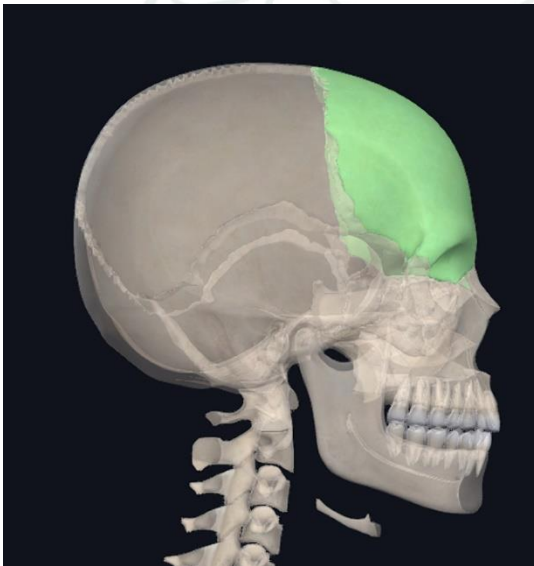

CONEXIONES

FRONTAL

Autor: Dr. François Ricard, D.O. Ph.D.

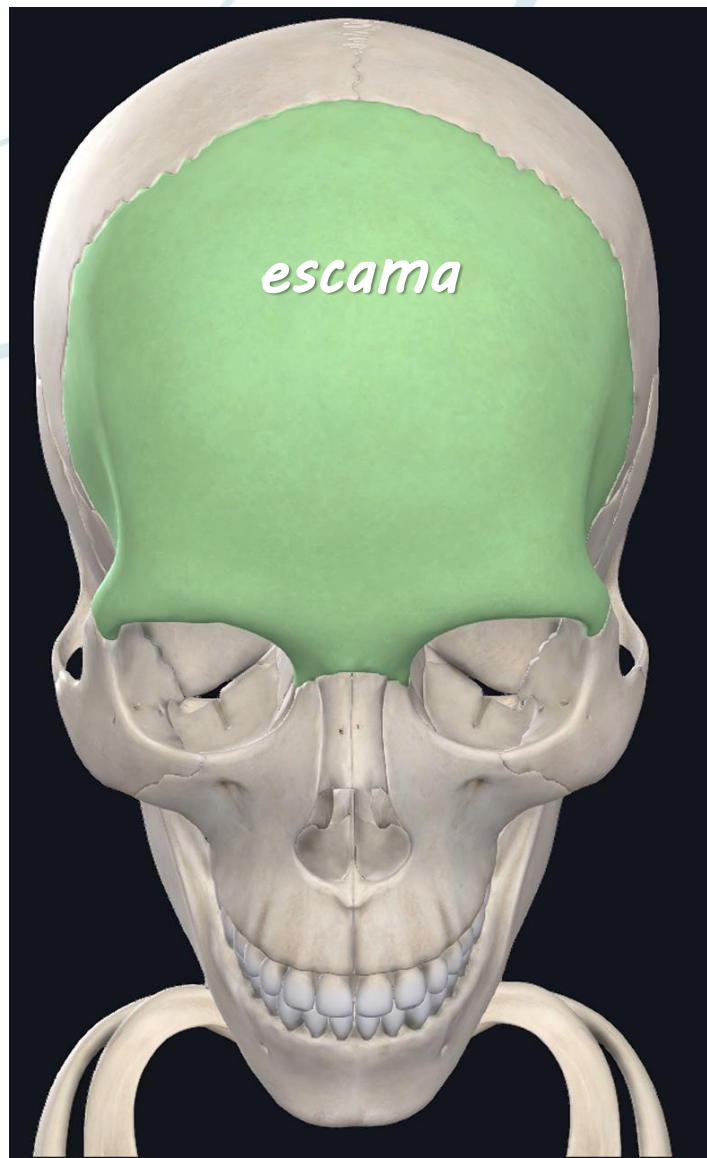

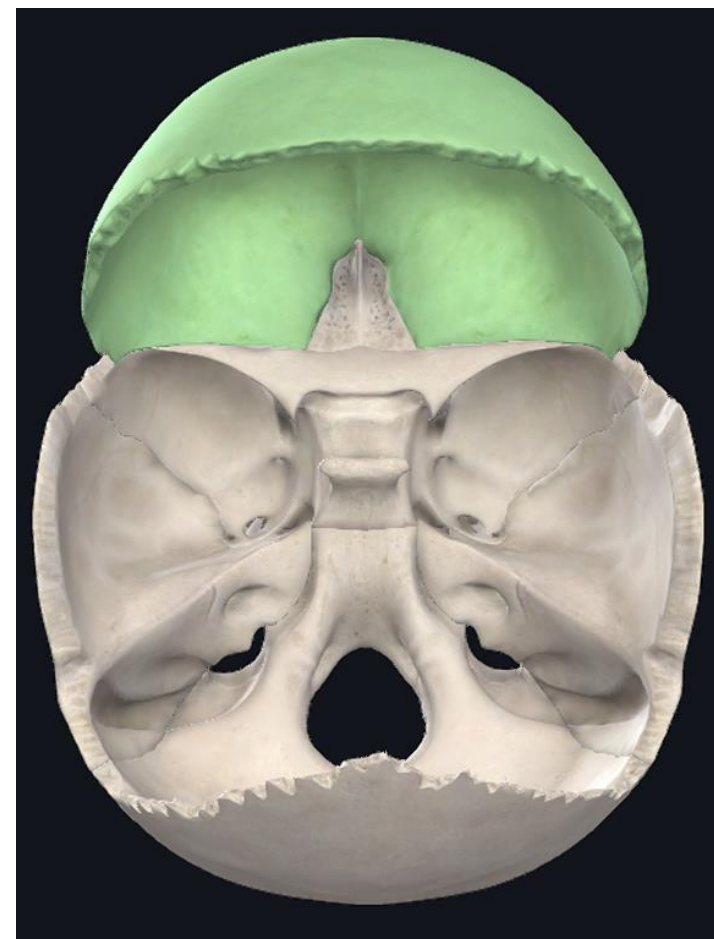

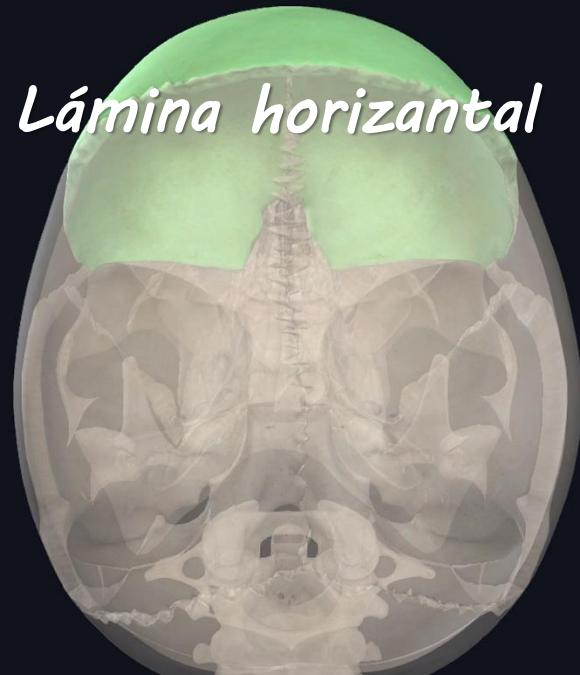

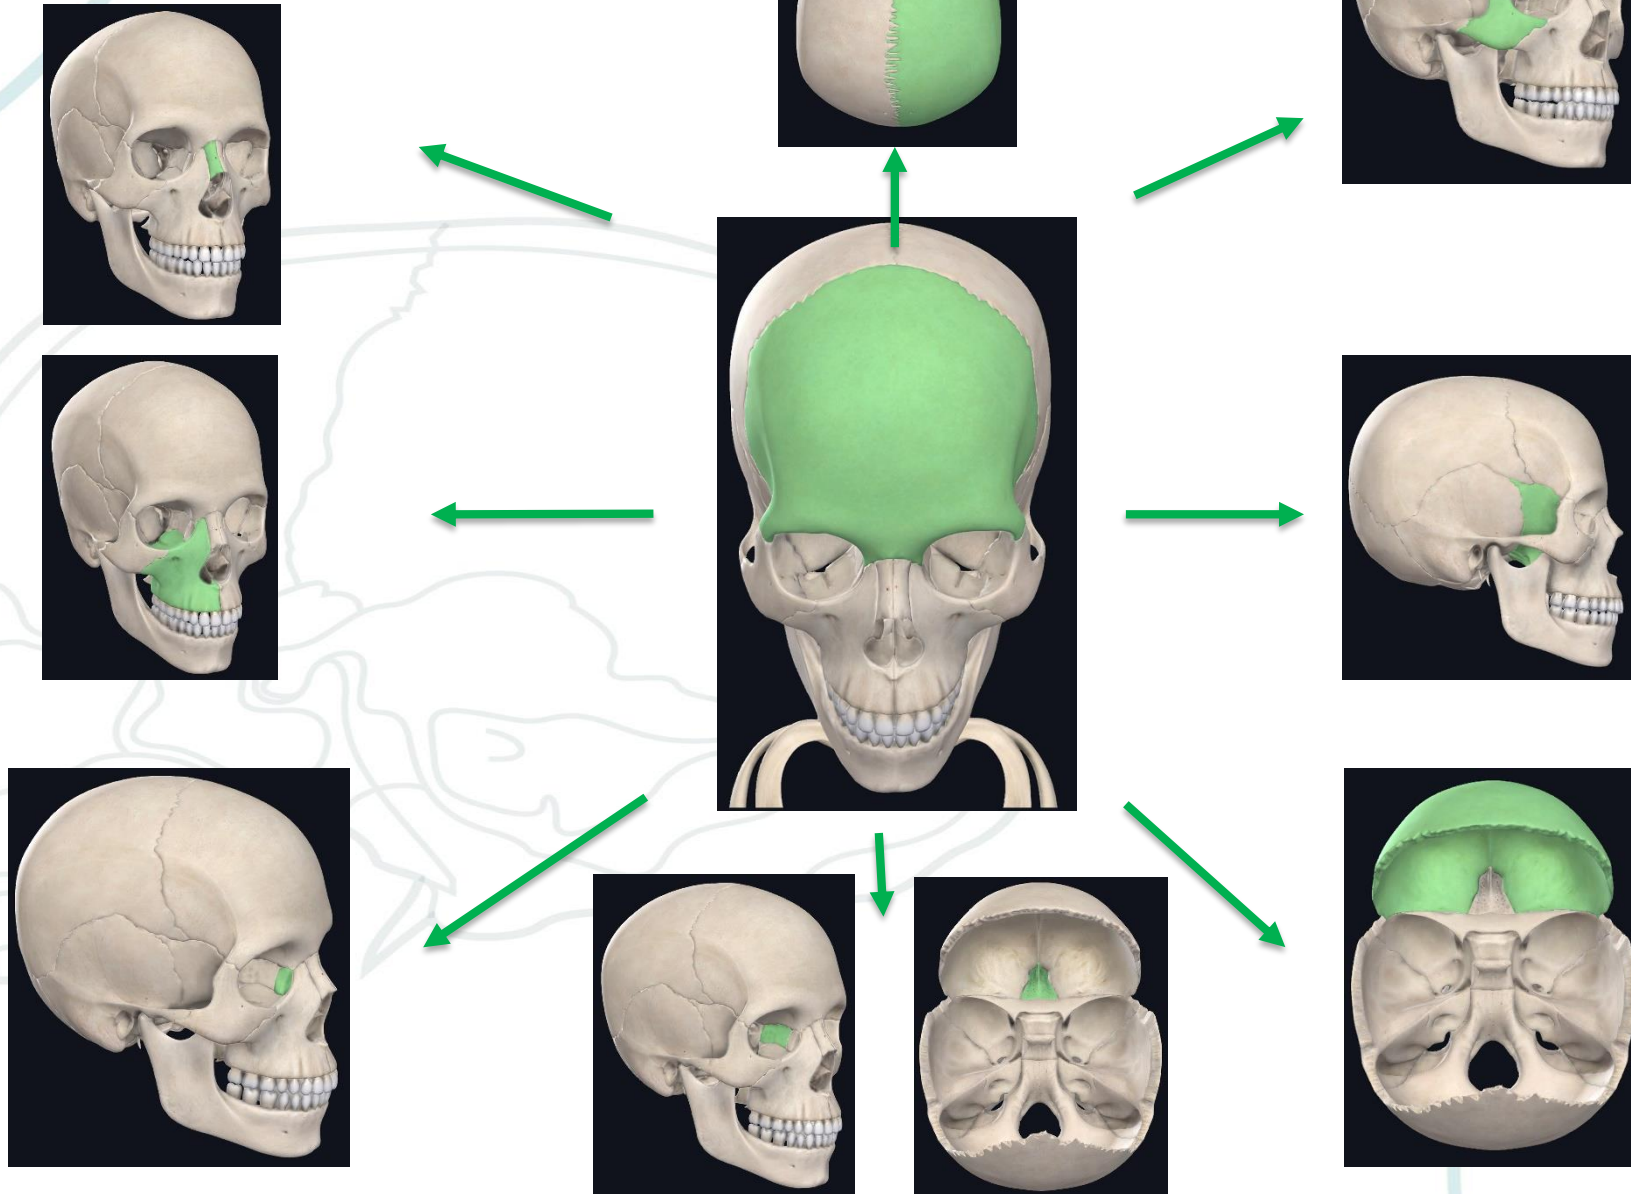

Lámina horizontal

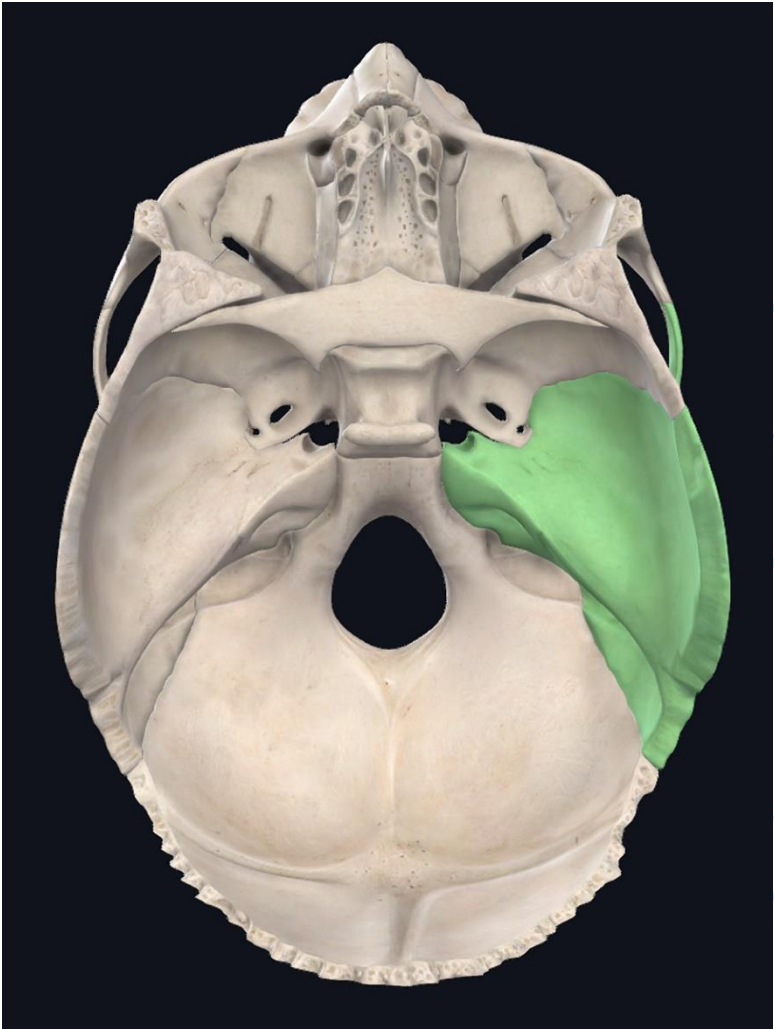

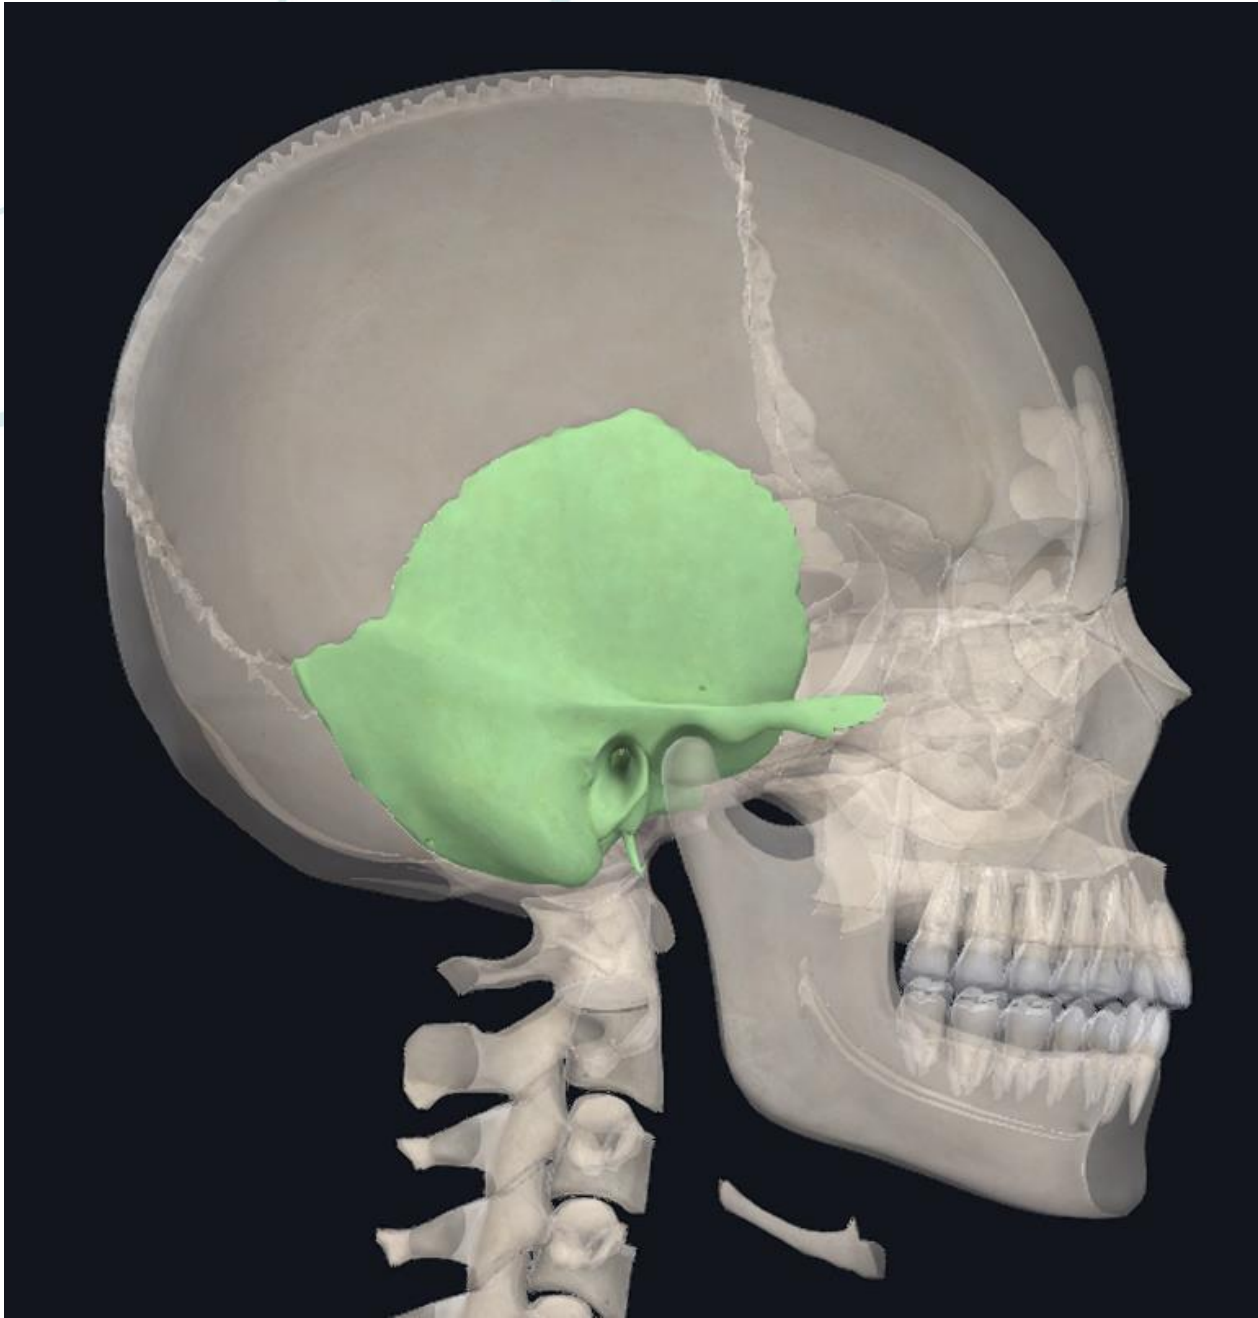

CONEXIONES

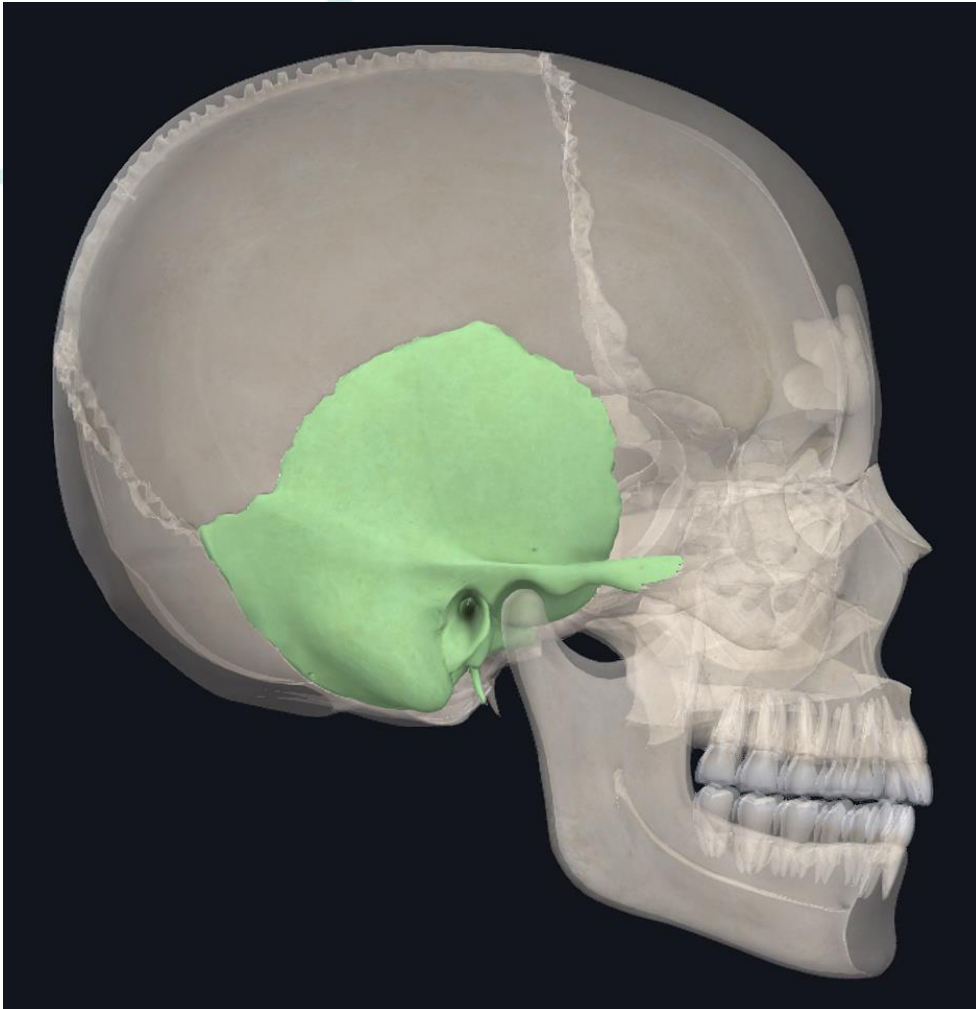

TEMPORAL

Autor: Dr. François Ricard, D.O. Ph.D.

PARS VERTICAL

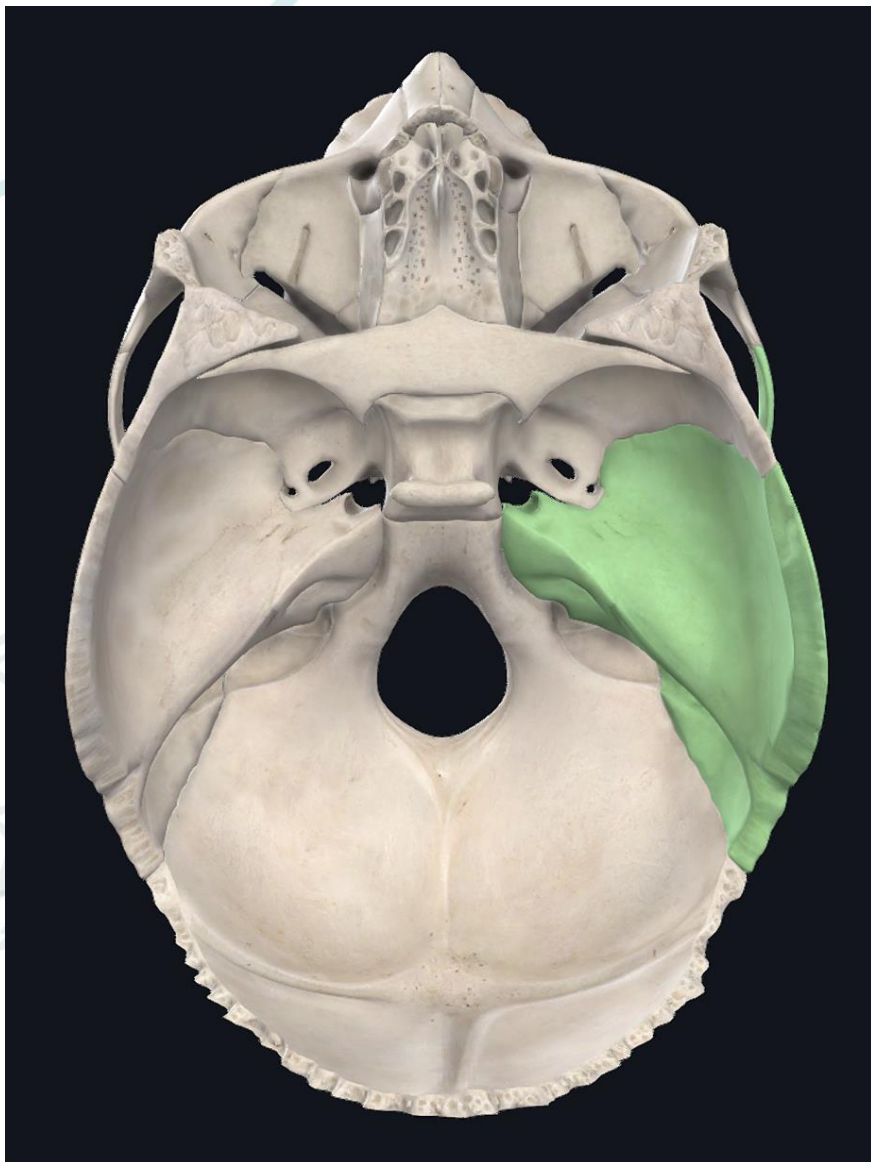

Porción escamosa

*Raíz mastoidea y apófisis
mastoides
(expansión del hueso petroso)*

Conducto auditivo externo

Apófisis zigomática

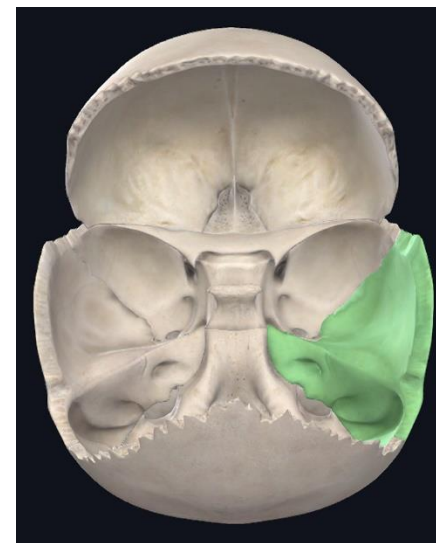

PARS HORIZONTAL

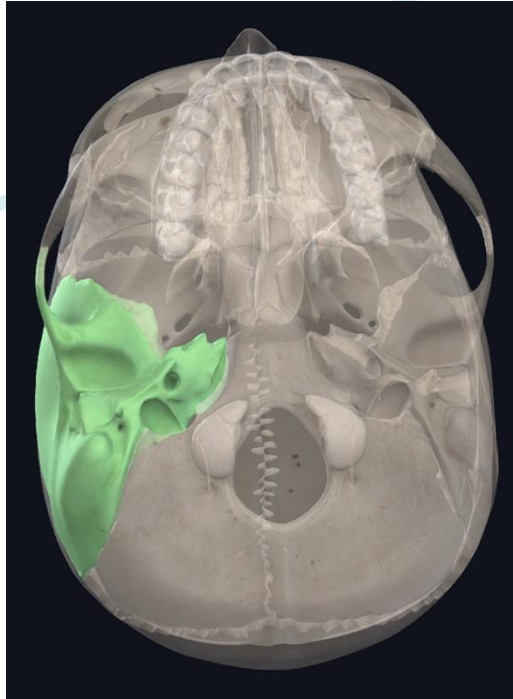

Pirámide petrosa

Ápex petroso

Conducto auditivo interno

PARS HORIZONTAL

Apófisis mastoides

Foramen estilomastoidea

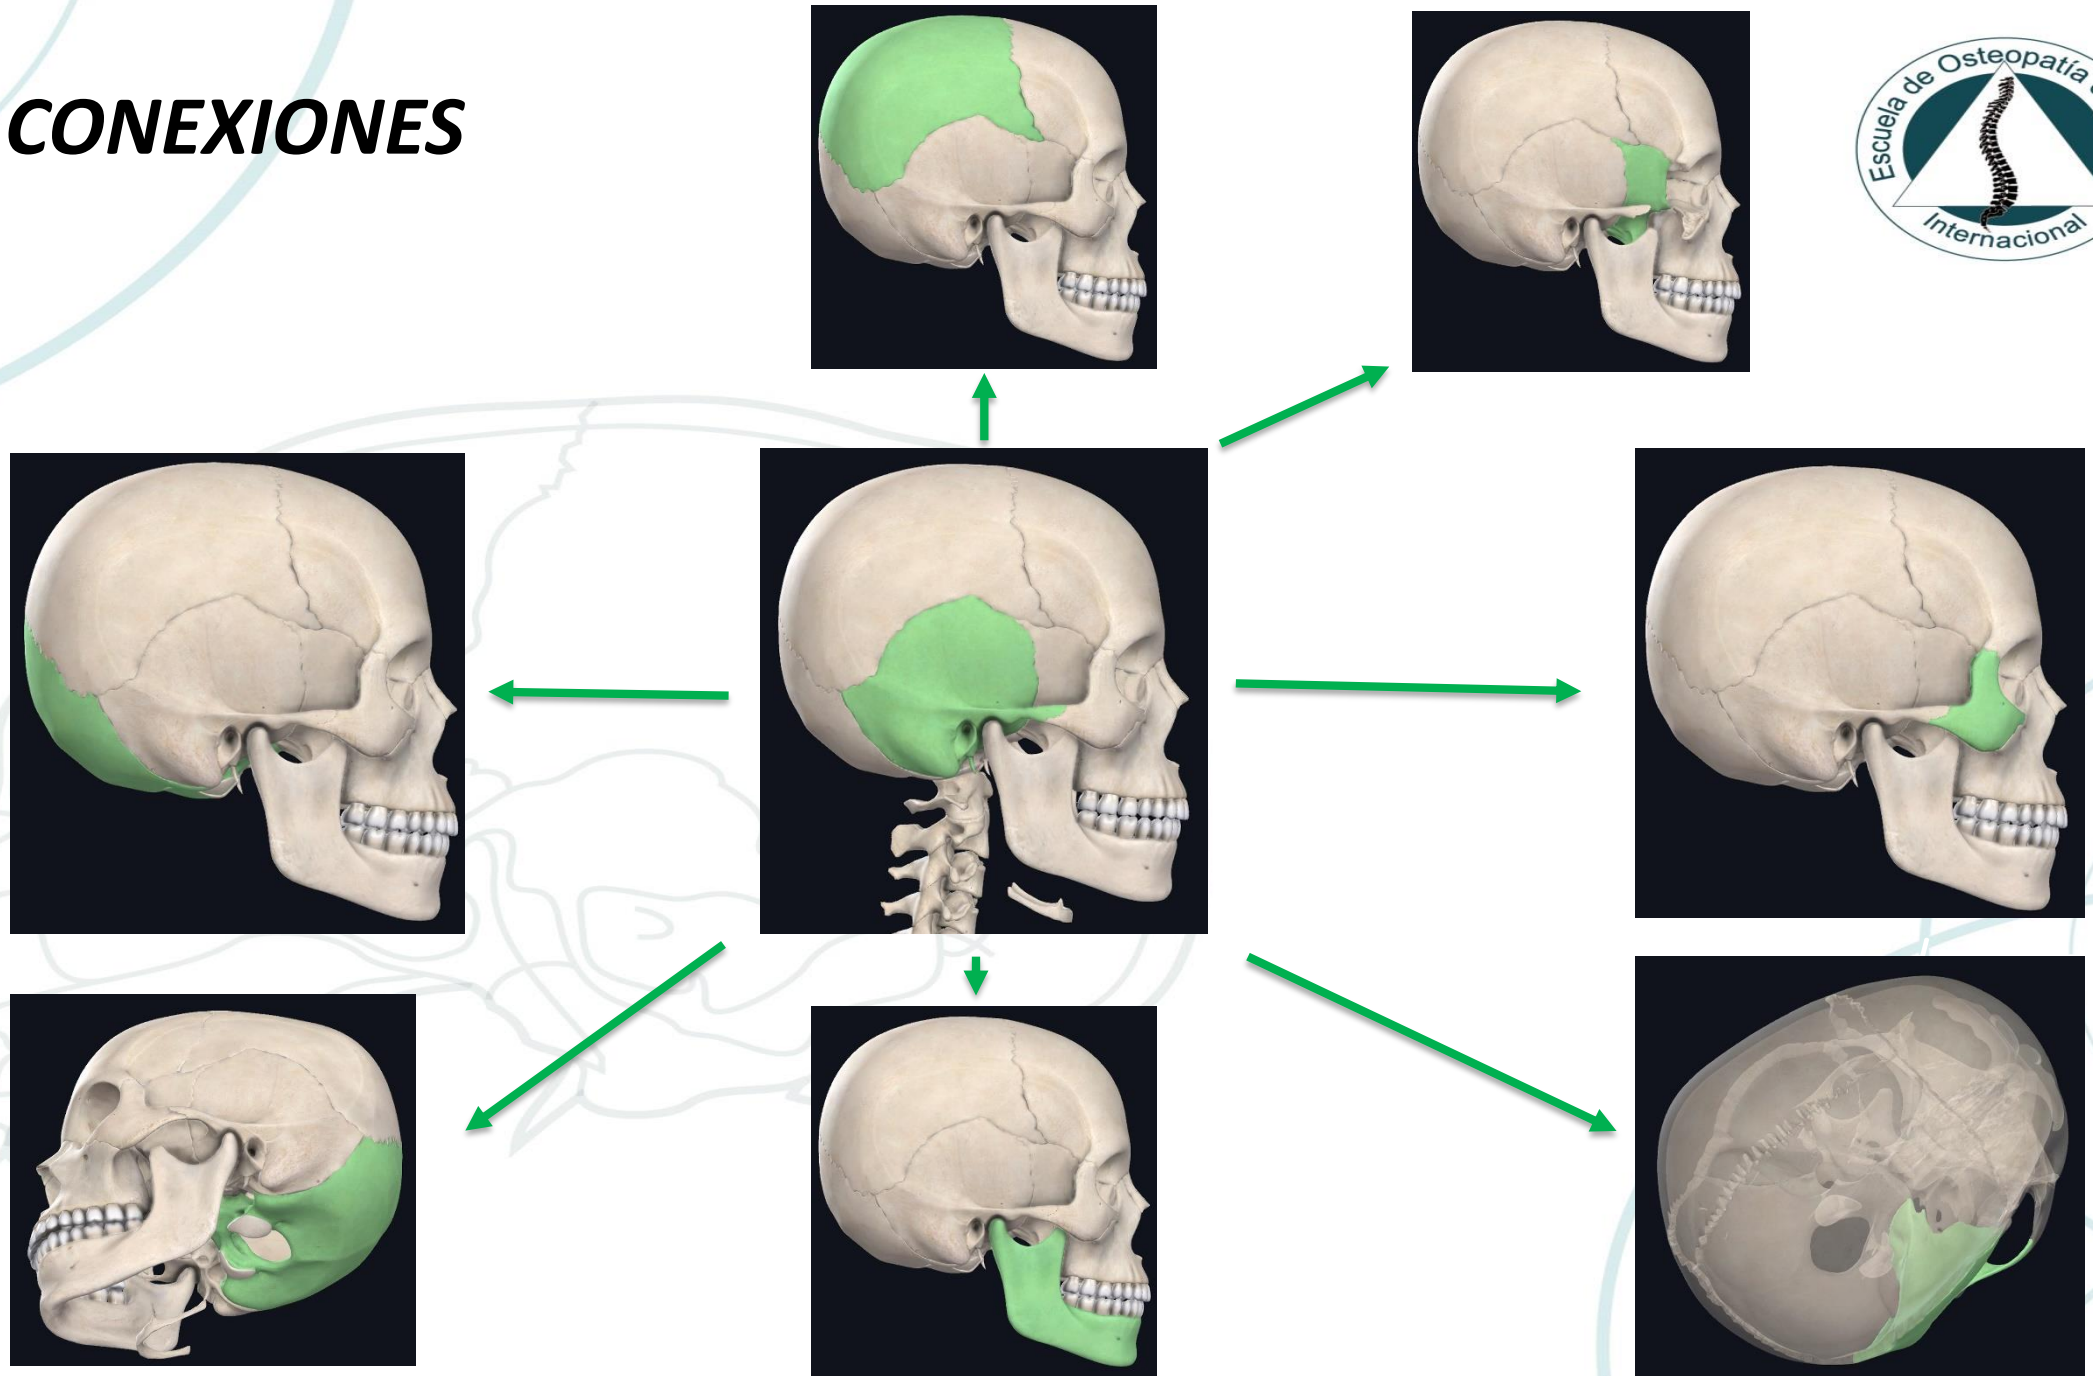

Apófisis estiloides

Cavidad glenoidea

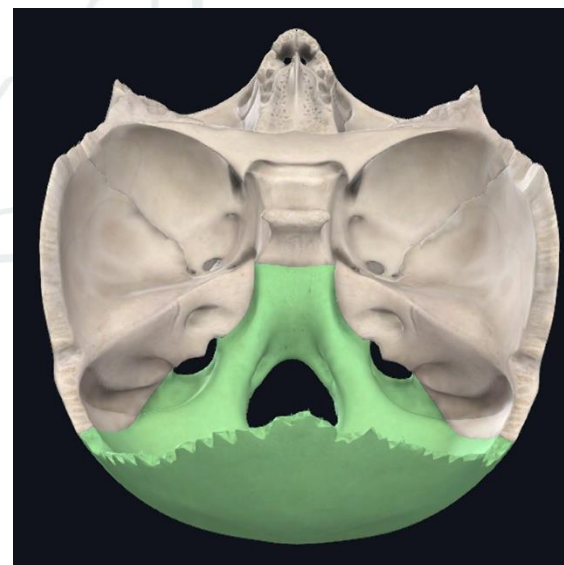

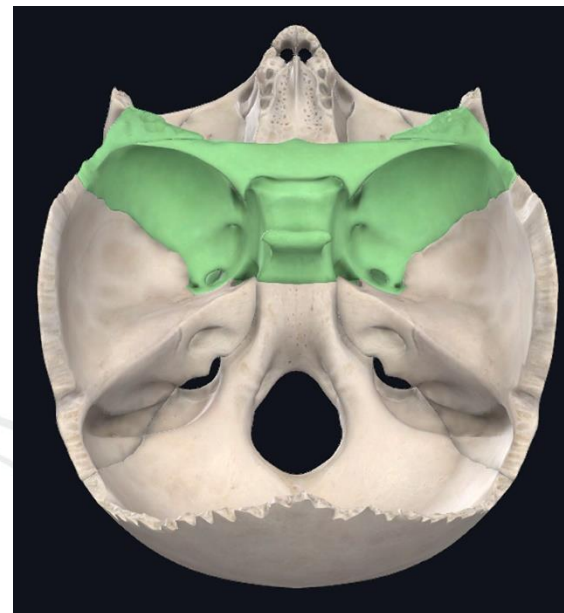

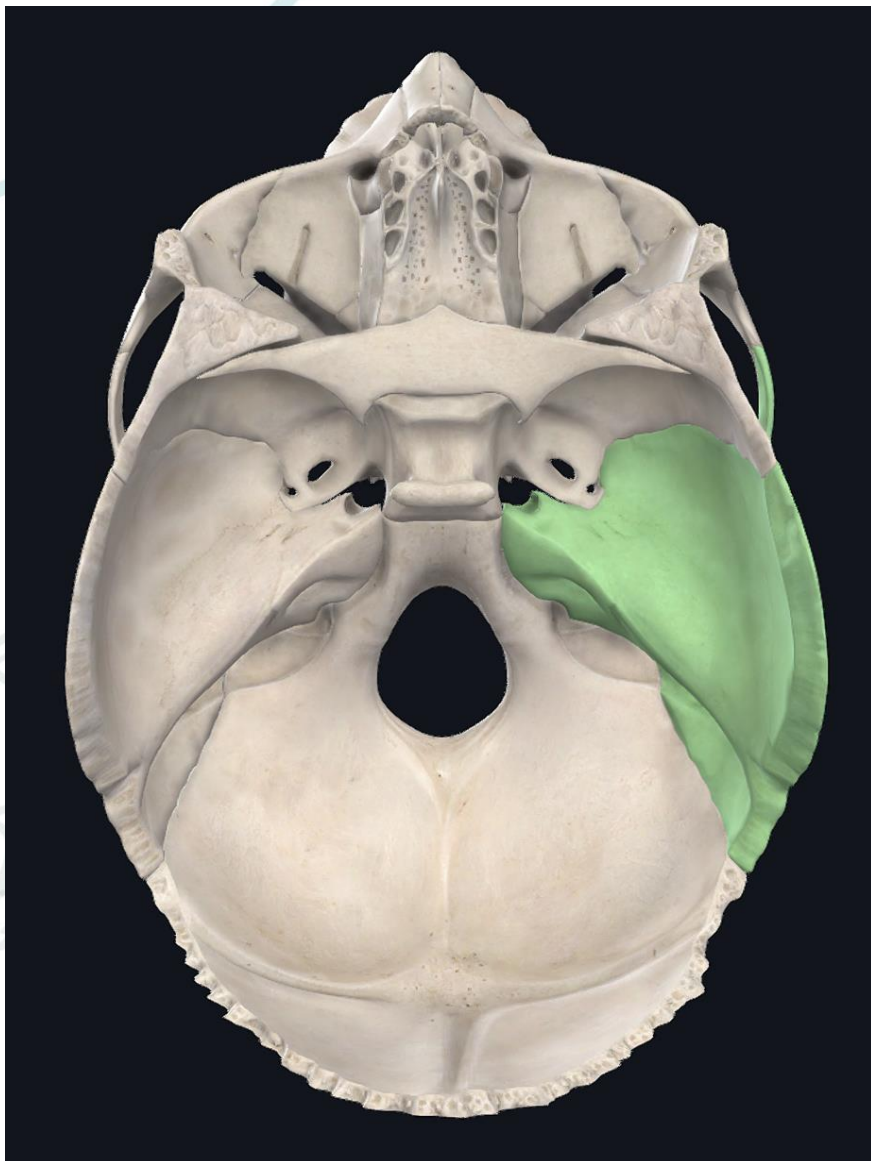

Foramen carotídeo
